### What Are Trail Trials?

Trail Trials are a competition on a marked trail course with natural or simulated obstacles that can be found on trails. The ride is usually 2-3 hours long. There is a volunteer judge for each of the 10 obstacles evaluating safety, performance, and control of each horse and rider team. Bring your own WATER. Trails may be rocky. Please remove manure from staging area. Juniors must wear helmets.

Trail Trial Rules (and a video on rules interpretation) can be found at [www.etinational.com/trail-trials](http://www.etinational.com/trail-trials)
